If the patient received steroids, select yes and tick the appropriate routes. Click update to save the steroids and expand the COVID-19 vaccine section by clicking on it.

The screenshot shows a web interface for patient data entry. On the left is a sidebar menu with categories: Patient, Clinician FUP, Administrative, and Preview Queries. The main content area is titled 'Other Current Therapy' and contains a yellow instruction box, a 'DMARDs section', a 'Steroids section', a 'COVID-19 vaccine section', and a 'Suggestion' box. The 'Steroids section' includes a question about systemic steroids with a 'YES' dropdown and a 'Select Yes' callout, a list of routes (IM/IV/Joint and Oral) with checkboxes and a 'Select route(s)' callout, and an 'Update' button with a 'Click Update' callout. The 'COVID-19 vaccine section' has a large blue arrow pointing to it. At the bottom is an 'Advance to Next Section' button.
