**Disease Activity Score (DAS28)**

Tender Joints (0-28):

Swollen Joints (0-28):

Esr (mm/hr):

CRP (mg/l):

VAS (mm) :

Skip Calculation:

Yes

No

Das Score:

Date Collected:

**Insert**

**Cancel**

**Select Insert**

SOP for calculations:

-Total score is not calculated if the skip calculation functional is used.

If calculation is not skipped, total DAS score can be calculated if either ESR (first priority) or CRP is provided along with Tender joints, Swollen Joints and VAS.

Add the DAS28 components and select **No** in Skip Calculation.  
Add the date that the DAS28 was collected then select **Insert** to calculate and add the DAS28.

If the online database has noticed anything within the record has been left incomplete queries may be raised – you can review these in **Preview Queries** and correct anything within the record straight away. If the information is correct as entered you can provide additional information in **Feedback / Comments** and this will prevent the BSRBR-RA admin team from raising a query.
