Biologic Targeted Therapy

Select **Biologic Targeted therapy** from the sidebar. Select **Add New** to add biologic details.
NB A Biologic / Targeted Therapy **start date** must be available to complete this section.

The screenshot shows a web interface for a patient record. At the top, there is a blue header with the text "BSRBR-RA" and navigation links "Home" and "Contact". Below the header, the page is titled "Training Centre 1". A status bar indicates "Patient Status: Awaiting Consent Form" with a link to reveal identifiable data. Below this, key information is displayed: "Study ID: 31193", "Cohort: Inflectra", "Baseline", "FUP Status:", and "Due Date: 15/10/2019".

The left sidebar contains a list of menu items: "Patient", "Patient summary", "CBQ", "Consent", "Disease Activity", "Biologic Targeted Therapy" (highlighted with a purple box), "Other Current Therapy", "Previous Biologics / DMARDs / Steroids", "Comorbidity", "Additional Info", "HRQoL", "HAQ", and "EuroQOL".

The main content area is titled "Biologic Targeted Therapy". It contains two yellow warning boxes: "If **NOT** first biologic / targeted therapy, please enter details in Previous Biologics / DMARDs / Steroids." and "No RA therapy entered yet. Click 'Add New' to enter details." Below these boxes, there is a teal "Add New" button and a blue callout box with a yellow arrow pointing to it, containing the text "Click Add New".

Complete the *Biologic Targeted Therapy* section ensuring that all required fields have been completed. Click on **Save Page** you will be taken through to enter dose dates.
