

**BSRBR-RA Database Contributors List – 2024**

The BSRBR-RA contributors' list is a comprehensive list of all rheumatologists/nurses/allied health professionals who have ever contributed clinical data to the online BSRBR-RA database since it was launched in 2019.

The below details are taken from the online database delegation log; we would urge you to check that your name is on the list if you have been involved with the online database for the BSRBR-RA study.
